Letter. No. E3. 3805-26 of 44-15, dated 27th February 1945, from the Director of Public Instruction in Mysore regarding changes in the Scheme of Sanskrit Public Examinations conducted by the Board for Sanskrit Education and Examinations, Bangalore.

ORDER No. E. 4944—EDN. 75-44-19, DATED BANGALORE, THE 11TH APRIL 1945.

It is stated that at the meeting of the Board of Sanskrit Education and Examinations held on 14th May 1943, Dr. A. N. Narasimhiah, M.A., L.T., Ph.D. (Lonl.), Principal, Maharaja's Sanskrit College, Mysore, moved a proposition that the present Champunataka Examination may be termed as the Sahitya Examination and that the Sahitya Vidvat Examination may be termed as the Alankara Sastra Vidvat Examination, and that suitable adjustments be made in the curricula of the same accordingly. This subject was referred to a Special Committee which approved of the proposal and suggested suitable adjustments in the course of studies and Text-Books. The question was then referred to a Sub-Committee constituted

The Sub-Committee which met on the 8th November 1944, resolved, (1) that the new scheme be given effect to from the year 1945-46 and that the first examination under the New Scheme be held in the year 1948 instead of 1947 as resolved by the Special Committee; (2) that the Text-Books for the Sahitya and the Alankara Sastra Vidvat Examinations as recommended by the Special Committee be approved or the Examinations of 1948 and that the question papers be grouped as shown in the Proceedings of the Committee. It was further resolved that the Text-Books and the Standard of Examinations in English prescribed for the Sahitya Examination be the same as those prescribed for the S.S.L.C. Examination each year; that the present practice of passing by groups be continued only for the Madhyama Examination as before, with the same minimum for each group as prescribed at present; and that there be no examination in English at the end of the Madhyama First Year course from the year 1948 onwards.

The proposals of the Sub-Committee have been approved by the Board of Sanskrit Education and Examinations, Bangalore, with the modification that there be 8 papers instead of 7 for the Sahitya Examination, 2 separate papers being set for (a) and (b) under the 1 Paper mentioned in Part I of the syllabus framed by the Sub-Committee.

The Director recommends that the re-organisation of the Sanskrit Courses recommended by the Board for the Sanskrit Education and Examinations, Bangalore, may be sanctioned. It is stated that the main purpose of the re-organisation of the Sanskrit Courses is to introduce more of Sahitya into the Entrance Examination and to reduce the portion in Tarka and Vyakarana proportionately. The Director of Public Instruction states that the proposal involves no extra cost to Government.

In the circumstances, the recommendation of the Director of Public Instruction is sanctioned.
